|----|------------------------|----|-----------------------------|
| A. | This Agreement. | E. | Drawings |

| D. | Scope of Work | | |

THIS AGREEMENT, together with the other documents enumerated in this ARTICLE 3, which said other documents are as fully a part of the Contract as if hereto attached or herein repeated, form the Contract between the parties hereto. In the event that any provisions in any component part of this Contract conflict with any provision of any other component part, the provisions of the component part first enumerated in this ARTICLE 3 shall govern, except as otherwise specifically stated.

ARTICLE 4. STIPULATION AGAINST LIENS

a. At the time of and immediately before the execution of the Contract and before any authority has been given by the said DISTRICT to the said CONTRACTOR to commence work on the said project or purchase materials for the same, in consideration of the making of the said Contract with the said CONTRACTOR, it is agreed that no mechanic's claims or other liens shall be filed against the project, building and/or lot of ground appurtenant thereto by any subcontractor of the CONTRACTOR, nor by

any of the CONTRACTOR'S materialmen or suppliers for any materials, supplies or labor purchased or furnished in connection with the CONTRACTOR's work of the said project or any part thereof, the right to file such claims or liens being expressly waived and relinquished herewith.

b. A waiver of liens in a form satisfactory to the DISTRICT shall be filed in the Office of the Prothonotary of Bucks County at such time as may be necessary to preclude the filing of any liens by any subcontractor or material suppliers. ARTICLE 6. INDEMNIFICATION

It is understood and agreed that the CONTRACTOR is a third party CONTRACTOR and is not a servant, agent or employee of the DISTRICT. To the extent permitted by law, Contractor covenants to save, defend, keep harmless and indemnify the DISTRICT, its elected and appointed officials, servants, agents and employees from and against any and all claims, loss, damage, injury, cost including court costs and attorney's fees, charge, liability or exposure, however caused, resulting from or arising out of or in any way connected with Contractor's performance (or failure of performance) of the Contract terms or its obligations under the Contract.

Nothing herein contained shall be construed as limiting in any way the extent to which CONTRACTOR may be held responsible for payments of damages to persons or property resulting from CONTRACTOR'S or its subcontractors' performance (or nonperformance) of the work covered under this Contract.

A. GENERAL INSURANCE REQUIREMENTS

All insurers and sureties underwriting Contractor's or any subcontractor's insurance and bonds must be licensed in the Commonwealth of Pennsylvania and have a minimum rating of "A" (financial strength rating) and "VII" (financial size category) in the latest edition of Best's Insurance Reports, unless

The Contractor shall not start work under this Contract until Contractor has obtained, at its own expense, all of the insurance called for hereunder and such insurance has been approved by the DISTRICT; nor shall Contractor allow any subcontractors to start work on any subcontract until all insurance required of the subcontractor has been so obtained and approved by the Contractor. Approval of insurance required of Contractor and subcontractors by the DISTRICT will be granted only after submission to the DISTRICT of original, signed certificates of insurance or, alternately, at the DISTRICT's request, certified copies of the required insurance policies. Approval of insurance required shall not be unreasonably withheld.

Contractor shall require all subcontractors to maintain, during the term of this agreement, commercial general liability insurance, business auto liability insurance and workers' compensation and employers' liability insurance in the same manner as specified for Contractor. Contractor shall furnish subcontractor's certificates of insurance to the DISTRICT immediately upon request.

All insurance policies required hereunder shall be endorsed to provide that the policy is not subject to cancellation, non-renewal, material change or reduction in coverage until sixty (60) days prior written notice has been given to the DISTRICT.

Each insurance policy required by this Contract, except for the workers' compensation policy, shall contain the following clause:

"The DISTRICT, its board members, employees, agents, officials and volunteers are hereby added as additional insureds as respects the operations and activities covered by this policy."

Any insurance maintained by the DISTRICT shall apply in excess of the insurance required by this Contract.

No acceptance and/or approval of any insurance by the DISTRICT shall be construed as relieving or excusing Contractor, or the surety, or its bonds, from any liability or obligation imposed upon either or both of them by the provisions of the Contract.

B. CONTRACTOR'S INSURANCE

Contractor shall secure and maintain, at its own expense, the following insurance: Commercial general liability insurance which insures against claims for bodily injury and property damage arising out of or in connection with any operations or work under the Contract Documents whether such operations be by Contractor, its employees or subcontractors or their employees. The policy shall provide minimum limits of coverage as follows:

The commercial general liability policy shall afford coverage for explosion, collapse and underground hazards, contractual liability and liability arising from independent contractors. Products and completed operations insurance shall be maintained for two years after completion of the Project.

Business auto liability insurance that insures against bodily injury and property damage claims arising out of the maintenance, use or operation of any "auto". The minimum limit shall be a combined single limit of \$1,000,000 per accident. This policy shall include the Motor Carrier Act endorsement if applicable.

Workers' compensation insurance and employers' liability insurance which satisfies Contractor's legal obligation to its employees in the states in which they operate on the District's behalf. In any event, employers' liability insurance shall be secured by Contractor with minimum limits of \$100,000 per employee for bodily injury by accident, \$100,000 per employee for bodily injury by disease and a \$500,000 aggregate policy limit for bodily injury by disease. Coverage for Pennsylvania benefits must be specifically referenced on certificates and certified policies provided to the DISTRICT.

ARTICLE 7. INTERPRETATION

In the event a dispute arises regarding this Contract or the work to be performed by Contractor hereunder, the parties agree that the District's initial determination regarding a proper resolution of such dispute shall prevail subject to the right of the Contractor to perform any disputed work under protest, the notice of which shall be provided to the District by advance written notice.

ARTICLE 8. BACKGROUND CHECK

Contractor will operate within the policies of the District and the goals, policies and procedures now or at some date established or approved by the District's administration with regard to the safety of pupils, the security of the District's grounds and buildings and the District's operations generally. Contractor shall maintain a current Child Abuse History Clearance as provided by the Pennsylvania Department of Public Welfare (Act 111), provide a satisfactory criminal history background check (Act 34 PA), and FBI fingerprinting clearance (Act 114) to the District for each individual engaged by Contractor to provide services who will come in direct contact with children in providing such services, including Contractor.
